## CLUB GUIDELINES

### **Sign in/Sign out**

As required by law, each person entering into the fields, both hunters and non-hunters must sign in and sign out.

- With the exception of scheduled custom plants, there is no sign-ins after 12:00.
- Hunters are required to be out of the fields no later than 4:00 pm.

### **What is a Standard Plant?**

A standard plant is 10% of bird card and applies to both Punch on Return and Punch on Release cards. Standard Plants are automatic unless you request a custom plant when making reservation.

### **What is a Custom Plant?**

A custom plant is anything other than a standard plant. Either type of card may request a custom plant. For a Punch on Return card, it is understood that all birds released will be deducted from the card regardless of the number of birds recovered.

- Custom plants may be scheduled at anytime but no later than 12 pm.
- Custom plants and special event hunts may also be scheduled on Mondays or Tuesdays. Bird release minimums will apply.

**Custom plant requests will not be honored after the second weekend in JANUARY unless you purchase a carryover option.**

### **Pheasant - Punch on Return Card (i.e. Regular Card)**

For Punch on Return cards, only the birds recovered are deducted from your card until 60% of the birds on your card have been released or second weekend in January, whichever comes first. In either of those cases, all birds released after that are pre-punched.

After the second weekend in January, you may ONLY request a Standard Plant. NO CUSTOM PLANTS.

**All birds shot while free roaming or in your designated field are taken off of pheasant card.**

### **Pheasant - Punch on Release Card (i.e. Pre-Punch Card)**

For Pre-Punch Cards, all birds released regardless of recovery are deducted from your card. 10% Standard Plant rule applies but any number of birds may be requested when making a reservation. EXCEPTION: After the second weekend in January, you may ONLY request a Standard Plant. NO CUSTOM PLANTS.

**All birds shot while free roaming or in designated field are taken off of pheasant card.**

### **Chukar Standard Plant:**

All Chukar cards are punch on release. The standard plant is 5 birds on chukar cards.

### **Reserved Fields**

Hunting at GHP is by reserved fields. Whenever possible, we will place hunters in a requested field. GHP reserves the right to place hunters in any area at its own discretion. Members will be notified of the field designation on the day of the hunt.

- Hunters are required to stay in their designated field and may not enter into another occupied field except to retrieve a downed bird.
- Whenever possible, you are to alert the occupant of the field of your intention.

- When entering into someone's field to retrieve a downed bird and you bump another hunter's bird in the process, it will be your responsibility to correct the situation, make good with the hunter(s) in that field.
- Dogs must be leashed when traveling to and from your designated field. When entering the parking area, your dog must be leashed.
- All roads that divide the fields are considered **neutral** ground. Any bird flushed from the road is considered a hold over and is not a part of that day's release.

### **Free Roaming**

Free roaming is reserved for Pheasant Card holding members only. You must first complete a standard or custom plant in order to free roam. Free roaming will be in designated areas determined by management. Please check in at the clubhouse or call us at 916-847-1584 to find out what areas are open to free roam.

### **All birds shot while free roaming or in designated field are taken off of pheasant card.**

### **Corporate Cards**

- Corp. Cards (100 + birds) allows two representatives on 100 bird cards.

### **Standard Plant for Corp. Split Cards**

- At the time of yearly renewal, if you plan on splitting a corp. card, each member of the group must be identified through the application process. We ask that you submit **all** applications at the same time.
- As a requirement, each application must include the number of birds; the applicant is entitled to receive.
- Each hunter in the group will be given their own punch card with the number of birds you have requested.
- For the purpose of releasing birds and when hunting not as a group, each individual card will be handled in accordance with the standard plant rules. At no time is a member of the group allowed to shoot from another member of the group's bird card.

### **Carryover Options**

#### **Option #1**

With the purchase of a like bird card (pheasant or chukar), GHP will carry over into the following season, 50% of the birds remaining on your current season's card.

- Carryover birds are in lieu of bonus birds
- The following season's bird card must be paid in full prior to closing day of the current season.
- Hold over birds may not be used during dog training days.

#### **Option #2**

With the purchase of a like bird card (pheasant and chukar), GHP will carry over 100% of the birds remaining on your current season's card. Birds must be used during the current season's dog training days. If there are still birds remaining after the closing of dog training days, they will be considered forfeit.

- The following season's bird card must be paid in full prior to closing day of the current season.

### **Release of Bonus and Carryover Birds**

- All bonus and carryover birds when released are considered pre-punched. All birds must be taken on the same day and prior to November 30<sup>th</sup>.
- **You must notify us on your reservation request that you would like your bonus birds put out in addition to your standard plant.**
- Birds not taken by November 30<sup>th</sup> are considered forfeit.

- It is the cardholder's responsibility to inform us when making your reservation that you would like to have either your bonus or carryover birds released.

### **\*NEW\* Flagging of Birds**

- You can request your birds to be flagged. But under no circumstances, does GHP guarantee the bird will remain at the flag location. It is up to you to return the flag.

### **\*NEW\* Split Plants**

- For bird plants (10 birds or less) and you request a split plant, there will be a \$20 fee per split.

### **\*NEW\* Guests and Guest Fee**

**As a member, it is your responsibility to ensure that your guest/s are familiar with the club rules which include but not limited to:**

1. **Proper shot size to use.**
  2. **Hunters orange requirement**
- Guest fee is \$5.00 per guest/per visit or \$20 for a seasonal pass. A member's spouse or a member's child (21 & under) is considered a member.
  - Guest fee does not apply to anyone (21 or under) or any junior hunter possessing a junior hunting license.

**Under no circumstances is a guest permitted in the fields without the member accompanying them at all times.**

### **Rain Days**

It is common practice for GHP not to release birds when it is raining. In the event that you are at the facility for your scheduled hunt and **prior** to releasing birds it starts to rain, you may choose to continue with your scheduled hunt but only with the understanding that all birds released are considered pre-punched. Free roaming on rain days is not permitted. GHP reserves the right to close on rain days and without notice.

### **Making a Reservation**

Reservations may be made up to but no later than 6 pm the day prior to the requested hunt date . You will receive an email confirming your reservation provided that the reservation was made within in the time limit. In the event that you do not receive confirmation you are welcome to show up at the clubhouse and be placed on the **standby list**

Email reservation to –[garciashp@gmail.com](mailto:garciashp@gmail.com)

- Please include the following:
  - Name or names of card holding members that will be hunting.
  - Total number of hunters in the group)
  - Day and time
  - **Custom Plant or Standard Plant. When requesting a custom plant, please indicate the number of birds you would like released.**

Note: This email system is **ONLY** to be used for reservations.

- If the day or time is already booked, you will receive an email showing the next available day and/or time.
- The maximum number of hunt dates you may reserve at one time is (3) three. New bookings cannot be made until you have used your last reservation.
